GA

It is the 26th of March 13.00-18.00

The board members ensure, that the statues and by-laws are followed regarding the bi-annual party. The invitation for the GA has been send out to all members and advertised for on the facebook groups for the different dance teams as well as on dtu dancing facebook side.

Cupboard

With the purchase of new items such as a first aid kit box, we in the board will make new pictures with "instructions" on what items belong to which shelve in order to keep the cupboard tidy and accessible for all users.

Bi-annual

This year's bi-annual party takes place 22/4 in Ethern area building 208 (usual dancing place). We will arrange with Ethern regarding bar tenders etc.

Volunteers are needed, thus we will ask the dancers the coming weeks.

Handover to new board

The current board will do its best to make a good handover to the coming board after the GA by e.g. participating in the first meeting and be available for contact if needed.
