Agenda:

1. Dispensation of the order of business [Dispensation fra Forretningsorden](#)
2. How to keep members in the club?
3. Proposal: Team Building for new board and teachers

1: Dispensation of the order of business Dispensation fra Forretningsorden:

It was discussed that when there are no Jitterbug class - and there are a swing class then should Jitterbug be removed from the order of business - this will be voted at next GA.

2: How to keep members in the club:

Several aspects were discussed - in conclusion: the teachers can apply for money to have an arrangement and the board will provide the possibility to have the classes have some workshops where they can focus on more advanced stuff (not a beginner workshop).

Possibly have a class running in the 3-week period of June - Draft will have to be written and completed.

3: Proposal: Team Building for new board and teachers

A social arrangement so the teachers and the new board will get familiar with each other.
