7. Consideration of Proposals (full descriptions below):
 - a. Membership fee reimbursements may be authorized during the teaching period (consisting of a 13-week term and an additional 3-week period) in cases where a member is unable to attend classes due to illness, injury, or schedule changes, or for other reasons deemed valid and fully supported by the board. Such reimbursements require unanimous board approval.
The Board of DTU Dancing

Reformulated proposal :

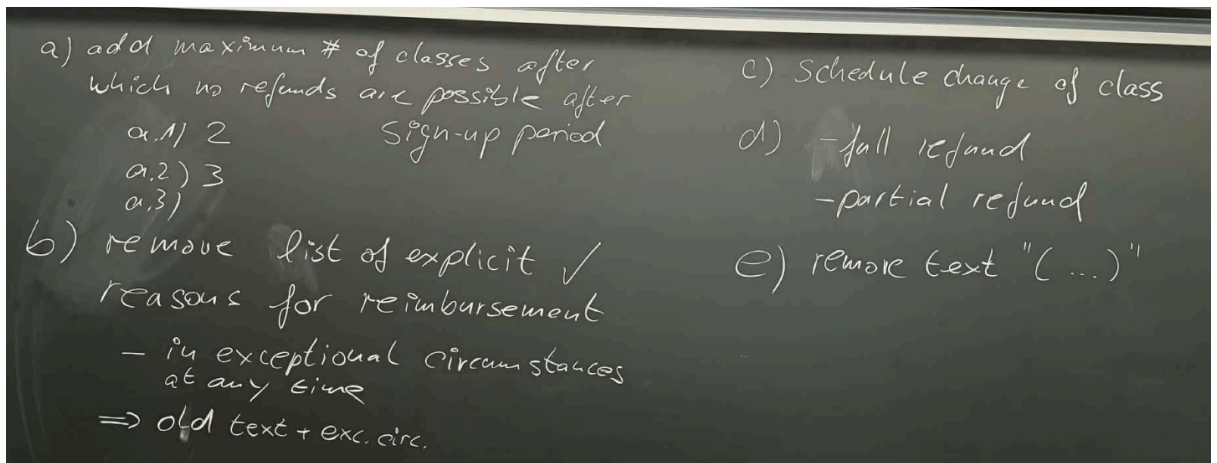

Change of statutes §4 Membership fees Point 2:

The membership fee for a season is collected at the beginning of the season and must be paid no later than three weeks after the season's start. A refund of the membership fee is possible in exceptional circumstances as outlined in order of business §1.2.

Change of Order of Business §1 Accounting and budget Point 2: Add a new sub-point

2. A refund of membership fee may be authorized during the teaching period (consisting of a 13-week term and an additional 3-week period) in cases where a member is unable to attend classes due to illness, injury, or schedule changes, or for other reasons deemed valid and fully supported by the board. Such reimbursements require a unison board approval.

During the discussion of this proposal the following counter-proposals (amendments) were made:
